

F. RICHARDSON HILLIER

Dick Hillier arrived at St. Andrew's in 1939 at the age of 27. Prior to his teaching career here he attended Davidson College where he majored in history and science. From there he went on to UVA where he earned his MA in American History. Throughout his tenure here, he taught Ancient History, served as Chair of the Academic Committee as well as the History Department and took a stint as head of the Disciplinary Committee. He was a class advisor, coached the track team and a six-man football team, and supervised the Rifle Club along with the Criss-Cross Club (aka drama club).

In 1942 he left school briefly to serve in the army during the war. It was during this time he married his wife Margaret. While living at SAS, he and his wife had a family of five children. Born in Kentucky, Dick was famous for his mint-julep party that was held every year, not on Derby Day but at the beginning of summer vacation. He was known to be a great gardener, cabinet maker and painter. Dick left St. Andrew's in 1970 after 31 years of service. He died in 1991.

Hillier corridor located in Founders' Hall, now houses freshman boys and was formerly known as east corridor.
