

Janee Dennis '14 Breaks Girls Basketball Career 3-Point Record

Will Robinson, Jan 11 2013

Only eight games into her junior year campaign, Janee Dennis '14 broke the school record for most 3-pointers in a career hitting her 71st 3-pointer in a 54-13 girls varsity basketball win over visiting Conrad School. The record fell in the the final moments of the 4th Quarter in front of a loud and supportive home crowd, including her parents and many young alums. Charlotte Bristow '14 pulled down an offensive rebound and looked up to find her roommate, Janee, at the top of the key. Janee stepped into Bristow's pass and promptly rattled home the record-breaking shot.

While it was Dennis' day, her overall selfless team play led the way for the 7-3 Saints. Morgan Hallow '15 scored a career high 12 points with Olivia Gumbs '16 following with 8. Liz Grabis '15 worked tirelessly over winter break to improve her game and stepped up with 5 points to go along with consistent, tough basketball grabbing rebounds and making great passes. Faith Loehr '13 had an excellent defensive game as did her teammate and captain Bre Pierce '13 who finished with 4 points. Betsy Neill '13 ended the game with countless steals and 2 points and Charlotte Bristow '14 finished with 2 points.

"Janee means much more to St. Andrew's basketball than lights out shooting. She leads by example with an uncompromising work ethic and a team-first attitude," praised Head Coach Seraphine Hamilton. "She had no idea that the record was in reach heading into the game, but she wouldn't have played any differently if she had. The success of the team and her teammates remains Janee's ultimate goal. I am so proud of her."

Congratulations, Janee!
