### ***Health Center Updates***

**Vaccine Clinic Update!**

We vaccinated 254 students at our second Pfizer COVID-19 vaccine clinic on Wednesday. SAS nurses administered 63 first doses and 175 second doses to students. Sixty percent of current students have now received two doses of the vaccine, and, when combined with our 18 previously fully vaccinated students, 80% of current students have now received at least one dose or more of the vaccine! Huge thanks to the Health Center Team, and especially Mrs. Rickolt, Mrs. Ketzner, and Mrs. Carrico, for their tireless work to make this clinic a reality. **Parents, all students who have received a dose of the vaccine have received a vaccination card. We have also scanned a copy of each card for inclusion in their St. Andrew's electronic medical record.**

**Health Forms Due Next Sunday, May 30**

### ***The Parent Race is On!***

The 2021 Saints Fund Parent Participation Race is in full swing! This year, St. Andrew's has set an all-time record Saints Fund (our annual fund) goal of \$3 million, and Tad has always wanted to reach a goal of 90% of current parents making a gift to the Saints Fund. That's why we're challenging parents to compete by Form in giving to the Saints Fund this week. **Students in the Form with the highest parent giving participation by 5:00 PM ET on Sunday, May 23 will win a pizza party!** The winning Form will be announced on Monday, May 24. Click [here](#) to make your gift and help your child's Form griffin take the lead.

### ***Academic Updates***

On Thursday, Head-Elect Joy McGrath '92 and Dean of Studies Gretchen Hurtt '90 announced new department chair appointments for the 2021-22 school year. Dave Miller (below left), teacher of Spanish for 21 years, will chair the Modern Languages Department. Neemu Reddy (below center), a ten-year veteran of the English faculty, will serve as chair of the English Department. Matt Edmonds (below right), in his second year at St. Andrew's and his fourteenth year of teaching, will chair the History Department. All three have been appointed to terms of three years, effective July 1, 2021 until June 30, 2024. Click [here](#) to read more.

Also on Thursday, Head of School Tad Roach and Head-Elect Joy McGrath '92 announced and welcomed the new faculty who will join St. Andrew's in the 2021-22 school year. The school is grateful to Emily Pressman, Ana Ramirez, Elizabeth Roach, and the many department chairs and faculty members who engaged in the faculty hiring process this year. Click [here](#) to read brief bios of each new faculty member. Welcome to the family!

## EThos Day!

... because you can't have EThos without T & E. On Monday, students and faculty competed for Team Tad and Team Elizabeth in all of T&E's favorite sports (field hockey, tennis, soccer, and basketball), gave dueling performative readings from T&E's favorite books (Tad: *Anna Karenina*, *Hamlet*, *Just Mercy*;

Elizabeth: *To the Lighthouse*, *Wuthering Heights*, *Beloved*); and delivered their best impressions of T&E on the Garth. Tad and Elizabeth closed out the day of competition by dumpster-diving, Double Dare-style, for their signature objects (a yellow legal pad, the rainbow Hu-manatee, etc). At the end of the day.... **TEAM ELIZABETH** emerged the victor by a close margin. Huge thanks for this extremely fun afternoon goes to Ana Ramirez, Emily Pressman, Stacey Duprey, Will Rehrig, Devin Duprey, Heidi Pearce, Jen Brown and the SAGE Dining Services team (for cooking all of T&E's favorite foods for an outdoor lunch!), Matt Westman (for drawing T&E on the team t-shirts!), Matt Troutman (for taking all these fantastic photos) and the many many other faculty and staff who pitched in! Want to know if you're Team Tad or Team Elizabeth? Take the quiz [here](#).

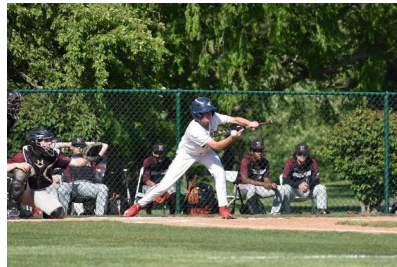

***Go Saints!***

On Tuesday, Saints baseball snapped a three-win streak by falling to Hodgson Vo-Tech 4-8 in the first round of the state tournament. Thanks to Director of Security Phil Davis for the

below photos. The game—which you can watch [here](#) (thanks to Liz Hall '21 for livestreaming!)—closed out a solid 8-8 season with a lot of great wins...

... including an incredible come-from-behind win again Tatnall on May 14—the team's last home game and senior night to boot! The Saints were down by TWELVE runs going into the bottom of the fourth, then had a huge rally. Watch the game [here](#) and enjoy this iconic victory video compliments of Laura Burroughs P'23.

Meanwhile, behind Trapnell House, boys crew gathered for a team dinner compliments of Terence Gilheany and Hilary Mead. The rowers enjoyed pulled pork, outdoor games, a little time on the trampoline, and a celebration of a great season.

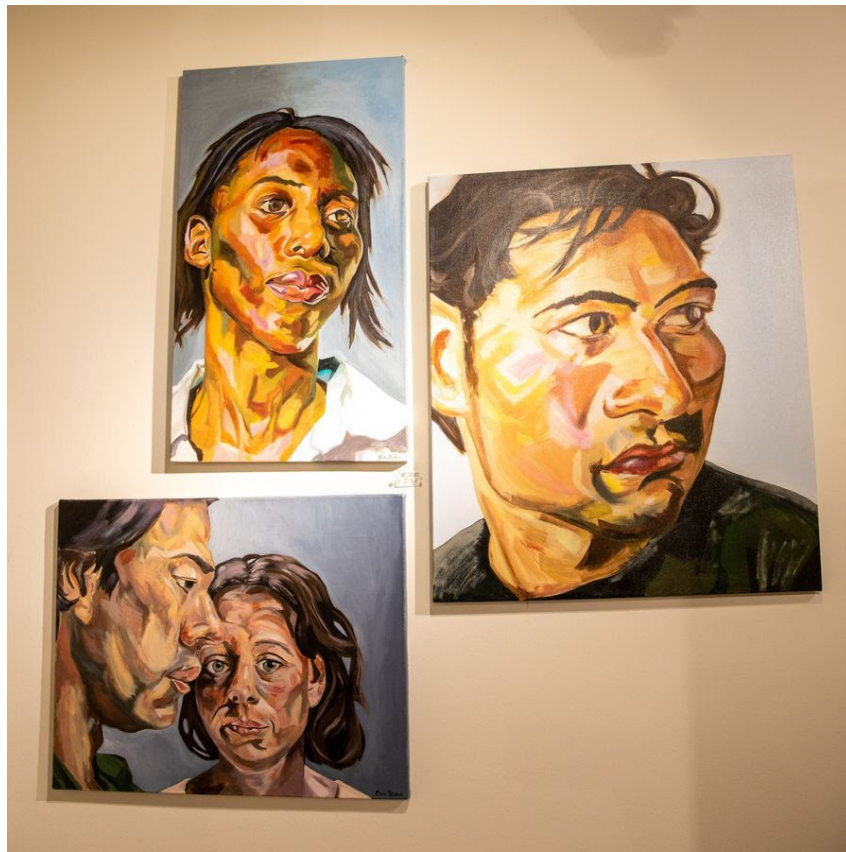

### ***Arts Weekend Part 1!***

Last Friday night, students enjoyed a gallery walk from the Warner Gallery to the Garth, with student art displayed along the way. Check out virtual galleries of spring 2021 student artwork [here](#).

After the artwalk, students enjoyed ice cream on the Front Lawn.

### ***We Leave You With This***

Emma Hopkins '23 and Anna Schneider '23 had a photo class assignment this week in which one of the prompts was to get a faculty member to make a "dramatic face"—"so naturally we went to our head of school!" Anna says. Excellent work, Tad.
